SAYS BUZZING IN HER EARS IS GONE

Plant Juice Gave This Lady Great Relief From Catarrhal Trouble.

"I suffered from such bad catarrh in my head that I had a buzzing sound in my ears nearly all the time, but your Plant Juice has worked

wonders for me, and the catarrh is so much relieved that the buzzing has left my ears."

This remarkable testimonial was given to the Plant Juice Man at Lima, Ohio, recently by Mrs. Sadie Graham, a popular and well-known lady of that city, living at 235.1-2 North Central Avenue, Lima. Continuing, she said:

"I had suffered from catarrh in my head and throat for years. It made my breath so bad I did not like to be near anybody. I was nervous, couldn't sleep right, had dizzy spells and suffered from pains all through my body.

"I can say that Plant Juice simply wokred wonders for me. The buzzing sound has left my ears and the catarrh has improved so much that my throat does not fill up as it did hefore. I now eat and sleep fine, the pains have left my body, and, to tell the truth. I simply feel like 5 different woman."
